

Turlington Elementary

Waller ISD and Turlington Elementary are ALL ABOUT KIDS!

Evelyn Turlington Elementary is Waller ISD's *NEW* Elementary school that opened this 2009-2010 school year. This campus is located at 23400 Hegar Road in Hockley.

"Evelyn Turlington Elementary will not only be a place to work, but a POWERHOUSE for the children and parents we serve. It is my honor to be the first Principal of Evelyn Turlington Elementary, and the name alone says a lot about the pride the walls will hold. As a teacher, Mrs. Turlington has positively influenced Waller ISD students for over 50 years; Turlington Elementary is set to make its positive influence on its students as well!" - Mindy Peper, Principal
